## Ingersoll Coin Meeting - October 21, 2019

Meeting was held on Monday October 21 at 7:30 pm. Meeting was called to order by President Chris McClean. We had 49 members in attendance including vendors Steve Hague and Richard McClean. Mrs. McClean was a guest this evening. Shawn Sinclair was scheduled for our presentation but unfortunately we had technical difficulties.

Executive Meeting will be occurring at the Ingersoll Senior's Centre on Monday October 29 at 7:00 pm.

Upcoming shows include :

Coin Expo in Toronto on October 26

Niagara Falls Coin Show in November 9

Nuphilex in Montreal from November 15 – 17

We are in current discussions concerning our interest in hosting the ONA convention. We will need a number of volunteers to make the weekend a success.

We will be laying a wreath at the Ingersoll Remembrance Day service. Vicki Edwards will be our representative in the processional. It is a very nice service held at the town cenotaph on November 11.

We are sad to announce that long time member John Yull has passed away. Condolences were presented to the family from the club on the Funeral Home Web page.

Neil MacAuley is collecting memberships at the rear of the hall

Terry Bishop is collecting for the holiday dinner at the front of the hall. \$15 per person. Each member in good standing is allowed to bring 1 guest at \$15 per guest. All reservations MUST be made by the end of the November meeting as the caterer must have numbers by November 20.

We are searching for a holiday dinner assistant to assist with organizational things the night of the dinner.

An audit has been completed and some recommendations has been made to the club for in the future year.

We are in search of a Newsletter Editor Volunteer. A person is needed to create the monthly newsletter and mail it out on a monthly basis on the first of every month so that there is time for the paper copy to reach the membership before the meeting.

Shawn Sinclair is our current ONA district representative. The ONA is looking for input on the next medal and what the face will look like.

7:55 pm a 10 minute break was taken while some worked on the projector and tried to get it to work properly for Shawn's presentation.

8:11 pm the meeting was called back to order. Shawn Sinclair came with a presentation on Olympic coins but due to computer errors we were unable to have our presentation this evening. Apologies to Shawn and hopefully we can try again in the future.

8:12 pm the auction commenced with 40 items on the block with 32 sold and 8 passed.

The November meeting will be the member auction with up to 120 items on the block. The meeting will be starting promptly at 7:30 and will be proceeding at a quick rate as we need to be out of the hall as close to 9 pm as possible.
